

PRESS RELEASE

FARAD INVESTMENT MANAGEMENT

ANNOUNCES THE RELOCATION IN THE HEART OF LUXEMBOURG-CITY CENTER

(11-17, RUE BEAUMONT L-1219 LUXEMBOURG)

Luxembourg, August 5th 2021 – FARAD Investment Management, the independent asset manager is relocating. The company is moving to 11-17, rue Beaumont in the heart of Luxembourg-city. The building has officially open for business starting from 1st August 2021.

Mr. Daniel Capocci, CEO of FARAD Investment Management expressed enthusiasm about the relocation: “We are pleased to move into our new offices after a couple of months of work. The larger and modern facility will allow us to welcome our clients in the city center and will enable our employees to work in a pleasant area easy to access via public transport”.

The facilities manager who also leads the internal CRS committee added: “With this moving we are rethinking our approach to facilities in order to continue moving towards sustainability. Examples include Green-friendly cleaners, real plants and selective sorting and this is just a start.”

Decommissioned furniture and especially IT equipment was donated to people who needed and it families and children in difficult situation. FARAD I.M. made available desktops and computers that were no longer used by the company.

About FARAD I.M.

FARAD Investment Management provide portfolio, fund management services and promote sustainable investments for the long-term benefit of its clients. The group intend to focus on two main growth sectors, life insurance (FARAD International), portfolio management and fund management services (FARAD I.M.). FARAD IM is specialized in portfolio management services and fund management services (with or without third party advisors). The service offered is split between traditional products & services and the GreenEthica offering. The traditional offering is the historical offering in which FARAD I.M. have 10+ years of experience in processes. The GreenEthica offer more recent and it has been developed over the last five years that rely on our ESG and sustainable experience.
